# WHY OUR PAPER CONES?

- Made from **biodegradable and renewable materials**
- Easy to recycle and compost
- **Lightweight yet durable**
- Cost-effective in the long run

43%  
**REDUCTION**  
OF CO2 EMISSIONS

# AUTOMOBILE INDUSTRY

**Our innovative paper cones are designed to be weather-resistant and waterproof, ensuring reliable performance in various conditions**

- Exclusivity due to patented design
- **Customizable with vibrant, high-quality printing**
- Ideal for branding and advertising
- Reinforces brand visibility and customer engagement
- Join the movement toward a **sustainable future**

## Enhanced Customer Experience

Adds a professional and organised look to dealership layouts, ensuring a seamless customer journey through the showroom and events.

- **Connecting paper bars are also available for order and customisation.**

# ENTERTAINMENT

- New revenue streams through advertising partnerships
- **Differentiates businesses from competitors**
- Perfect for marking display areas, guiding customer pathways or showcasing promotions
- **Can be tailored with limited-time offers, QR codes or advertisements to directly engage customers on-site**

# VERSATILE APPLICATIONS

## AMUSEMENT PARKS

Our paper cones are used to create safe pathways and designated zones, enhancing the overall guest experience with eco-friendly flair.

Available Colors:

## KINDERGARTENS

The biodegradable cones help mark play zones and learning corners, combining both safety and creativity.

Available Colors:

## OFFICE BUILDINGS

Within corporate settings, our elegant paper cones define transit corridors and meeting areas, merging efficiency with a green design philosophy.

Available Colors:

## CONSTRUCTION SITES

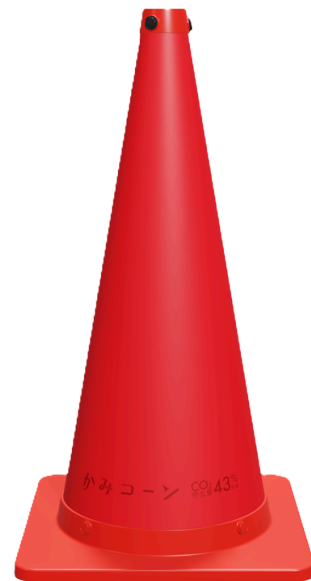

Our paper cones can also be used to signal work perimeters and hazard areas.

Available Colors:     

## ROADS

On roadways, our vibrant cones steer vehicular flow and designate secure stopping points, enhancing traffic safety and driver's attention.

Available Colors:     

## PARKINGS

In parking areas, the cones efficiently delineate spaces and manage vehicle flow.

Available Colors:     

# PRODUCT DETAILS

- **Patented Japanese design**
- Custom print, base and top
- **Wind-resistant square base**
- Foldable for optimal storage
- **Lightweight: just 600g**

**Easy  
installation**

NO TOOLS REQUIRED

# PRODUCT DETAILS

These unique paper cones feature a dual-sided design, creatively allowing for two distinct prints—one on the front and another on the back—giving businesses a dynamic way to showcase multiple messages, promotions or branding within a single, sustainable solution.

# CONNECTING BARS

**Our customizable connecting paper bars not only enhance event aesthetics but also serve as effective tools for crowd control. By delineating specific areas, they guide attendee movement, prevent congestion and ensure a safe, organised environment.**

# NEW PRODUCTS

## OPEN/CLOSED – FRONT AND BACK DESIGN

Our open/closed paper cones provide clear, intuitive status indicators, ensuring seamless access control and effective communication in various settings.

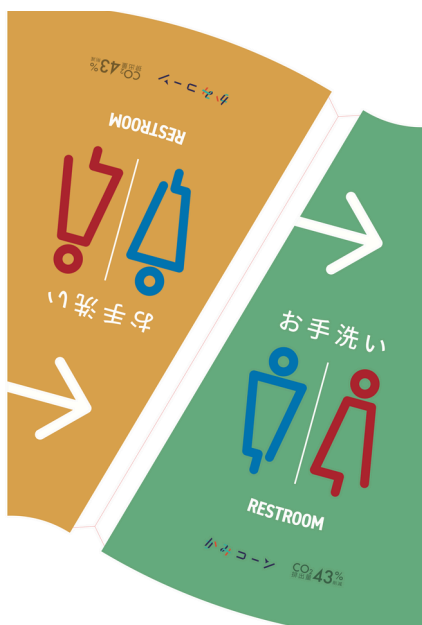

## PLANTS

The plant-printed paper cones merge functionality with natural aesthetics, offering a fresh, visually engaging design that enhances any environment.

## RESTROOM – FRONT AND BACK DESIGN

Our toilet sign printed on a paper cone delivers a creative, eco-friendly solution for guiding visitors to restroom facilities with clarity and style.

# TESTS AND STORAGE

We **rigorously tested** our products to ensure they meet premium quality standards under various conditions, confirming their exceptional durability and performance.

Our paper cones can be compactly folded for optimal storage in confined spaces, leading to **significant savings on storage costs and enhanced operational efficiency**.

Stocksun Ltd. has partnered with Japanese manufacturers since 2023 to deliver eco-friendly, sustainable paper cones for the road and entertainment industries. As a trusted leader in the sector, Stocksun designs products with exceptional durability and functionality to meet the diverse needs of various industries. With a strong commitment to environmental responsibility and enhancing daily life, we aim to foster a greener future while improving the overall experience for its customers.
